

ParentConnect

Parents, do you want to be able to check your student's assignments, grades, attendance, discipline, and tardiness any time? You can do this now with ParentConnect, an online communication tool that provides you with all this information. You can even request to be notified automatically if a discipline incident, unexcused absence, tardiness, missing assignments or failing score has been posted.

To use it, you first need to register as a member. Visit the ParentConnect website for Northview High School at <http://northviewpc.fultonschools.org>. Click on "Register" to complete the online registration form. After about a week, visit the school's main office to obtain your user ID and PASSWORD. A photo ID is required to obtain this information.

The ParentConnect website may also be accessed through the school's website at <http://www.northviewhigh.com>. However, you may experience a problem through this method because some internet service providers have security issues that may prevent you from using the link from the school website to the ParentConnect website. If this problem should occur, please go directly to <http://northviewpc.fultonschools.org>, the Parent Connect website, to get into the ParentConnect welcome page. Otherwise, under "Support Organizations" on the upper right hand corner of the screen in the school website, click on "Parent Connect". This will bring up the ParentConnect information page that contains answers to frequently asked questions. Click on the colorful ParentConnect logo at the top to get into the ParentConnect welcome page. Once you're in the welcome page, you can either login or register. Log into ParentConnect using your ID and PASSWORD. If you wish, you may even change your PASSWORD to something easier to remember.

For further assistance, you may contact Theresa Collum by e-mail at collum@fulton.k12.ga.us or by phone at (770) 497-3828 ext. 121.
