

Struck By A Titan ...

You know that cute little flamingos or gravestones that you see in people's yards to commemorate special events or birthdays? Why not surprise your Northview student while helping Northview's Project Graduation? For \$25, you can have "lightening bolt" signs in your yard along with a personalized message. You can keep them for 48 hours and we will pick them up. Perfect for birthdays, sports victories, holidays, graduation, congratulations on college acceptance, getting driver's license, etc., etc.

Reserve your date on the Struck By A Titan Calendar now by contacting:

Mrs. Nancy Hart
